Summer 2

Welcome back! We hope you all had a lovely half term break with the children. We cannot believe we are in the final half term.

We are so proud of the progress the children have made this year and we are excited to enjoy the summer term with them and help them prepare for year 1.

This half term we will be reading the following stories in class:

These all relate to our new topic 'Curious Creatures'

We have planned lots of fun activities that include lots of learning about different places around the world and even a summer fun day to end our half term.

During Math sessions we will be learning all about shapes and continuing with number composition of 10 and work on making sure the children are secure in their knowledge.

Special days in Foundation this half term:

As part of our curriculum, we like to celebrate/experience special days with children. Here are some of the days we will be celebrating this half term.

13th June - School trip to Yorkshire Wildlife Park

1st/2nd July - Transition into Year 1 days

17th July - Under the Sea Day. Come to school dressed up in the theme of 'Under the sea' This doesn't need to be expensive, a mask would be perfect.

24th July- Bring a Teddy to school day. In the afternoon we will have ice Pops and play in the woodlands with our teddys.

23rd July - FOUNDATION STAGE WATER FIGHT! Children will need spare clothes.

Home Learning

We will continue to send home the phonics sheets that children do each day. It would be useful if you could practise the letter formation with your child.

Please try to share a book at home with your child at least twice a week. They have two books in their book bags, a reading book, and a book for pleasure. When you do share the book with your child, please write in their yellow reading diary.

Under the sea!

As part of our new topic 'Under the Sea', we thought it would be nice if the children could do some fish or sea crafts at home with you.

You can either send in pictures that the children can share with their class, or the children could bring in what they have made.

Forest Friday

Every Wednesday the children will be going to Forest school, so please make sure their wellies and waterproofs are in school.

If it is too wet for Forest school, we will swap for cooking or baking or singing.

PE will also be every Wednesday morning after Phonics.

Please do not hesitate to message us on Dojo or speak to us if you have any questions,

Thank you for all your support last half term,

The Foundation Team:

Mrs Hall, Miss Makepeace, Mrs Rafferty and Mrs Harrison.
