

Hedgehogs Newsletter

Summer 1

Welcome back, we hope you have all had a good half term.

What will we be learning?

This half term our topic is split between 'Pirates' and 'Around the world'.

In maths we will continue to build on the children's knowledge of subitising (knowing how many there are without actually counting them) and counting to 3.

Beginning to identifying simple patterns.

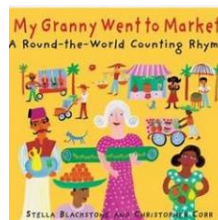

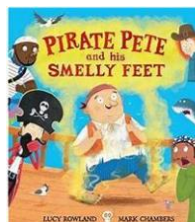

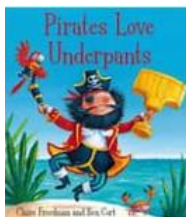

New Vocabulary:

Pirates, smelly, Granny, market, patterns, fruit, pineapple.

Our Topic books

Our story books this half term for the first three weeks are 'Pirates Love Underpants' and 'Pirate Pete and the smelly feet'. For weeks four to six they are 'My Granny Went to Market' and Handa's surprise'.

We will be encouraging the children to show an interest in their families and make connections between the feature of their families and other families.

Key Information

In the Hedgehogs we really encourage independence, and we ask if you can support us with this. All our hedgehogs can put their coats on by themselves and we are now encouraging them zipping up their coats on their own. If you can encourage your child to do this at home, this would be great.

Can each child have a spare set of clothes and wipes in their bags in case of an accident.

Reading

When you have listened to your child read or spent time with your child looking through a book. Please either comment, sign or simply date their yellow reading diary, we love seeing that they are enjoying books at home!

Any questions please speak to me or message me on Dojo.

Mrs Henfrey.

As always, any questions, please feel free to speak or message me on Dojo.

Thank you,

Mrs Henfrey, Mrs Forman, Mrs Harrison
