Summer 1

Welcome back everyone and welcome to our new Hedgehogs.

We are very much looking forward to this next half term. Our topic is 'What a wonderful place to live'

What will we be learning?

This half term our topic is 'What a wonderful place to live'. Our class stories will be, 'Burrow', 'You can't get an elephant on a bus', 'Stanley's stick', 'Chicken Licken', 'Too much stuff' and 'The Secret Path'

In Maths the children will be learning to identify when a group has 1 item. Learning to point in sequence to a number of objects. Begin to show an awareness that some shapes will fit and some will not. Be able to find the bigger, smaller etc. when asked.

New Vocabulary:
bigger, smaller,
where we live,
triangle, square,
rectangle, circle,
different types of
houses.

Home Learning

We really encourage you to support your child to be as independent as possible. Putting on their shoes and sunhats are a great way to begin. Also encouraging them to peel their own fruit such as oranges and bananas.

Please read with your child, reading helps their wellbeing, develops imagination and has educational benefits too. Just a few minutes a day can have a big impact on children of all ages. Remember to write these reads in their yellow book.

Key Information
